PANAME BREWING COMPANY HAS EMBODIED THE ESSENCE OF TODAY'S PARIS

SINCE ITS CREATION IN 2015

PARIS, 03.05.2025, 10:20 Time

USPA NEWS - The Story begins in 2015 when Four Friends, passionate about Craft Beer, discovered a Former General Store Site on the Banks of the Canal de l'Ourcq and decided to install the First Paname Brewing Company Tanks on this Transit Point and Supply Site for Raw Materials from the Paris Region. Located at 41 bis Quai de la Loire in the 19th Arrondissement of Paris, this Historic Location will become a Tap House and Restaurant.

The Story begins in 2015 when Four Friends, passionate about Craft Beer, discovered a Former General Store Site on the Banks of the Canal de l'Ourcq and decided to install the First Paname Brewing Company Tanks on this Transit Point and Supply Site for Raw Materials from the Paris Region. Located at 41 bis Quai de la Loire in the 19th Arrondissement of Paris, this Historic Location will become a Tap House and Restaurant.

Following the Success of the Tap House, Paname joined Forces with the Cité Fertile Project, a Former Freight Station transformed into an Eco-Responsible Wasteland to establish a New Production Site and market its Craft Beers in Paris, France, and Beyond.

With Two New Openings in 2024, at Montparnasse Station and in the Heart of Terminal 2 at Roissy CDG Airport, the Brewery is taking a Decisive Step forward. Now located a Stone's Throw from the Stade de France, in Saint-Denis, at 137 Avenue du Président Wilson (93210 Saint Denis), the Brewery, equipped with a New, State-Of-The-Art Brewing System, offers Beer, Street Food, and Conviviality Lovers a Unique Experience combining a Bar, Beer Garden, Event Space, and many other Surprises.

Since its Creation in 2015, Paname Brewing Company has embodied the Essence of Today's Paris.Through its Craft Beers and Unique Locations, Paname aspires to become the Capital's Brewing Reference. Rich in Hops and Character, their Craft Beers reinvent the Classics with a Modern Twist, fusing Varied Influences and Unique Stories of the City of Lights.

In June 2018, they installed State-Of-The-Art 20HL Technology inherited from Ziptech in Hungary in the Heart of the Fertile City, a Decommissioned and Repurposed Train Station that hosts Year-Round Events with a Focus on Recycling and encouraging Local Commerce for a Better, more Sustainable Future. Each Year, they double the Production Volume, and the Brewery has grown exponentially. They can now produce up to 10,000 hl.
